Show Entry Form

Exhibitor #	Name	Address	Phone

- Please make sure to clearly enter the plant name, clonal name and any awards previously received. Add parentage if known.
- When classifying your plant start at the top of the Class Schedule and go down the classes. The first class in which your plant fits should be the class you assign to your plant. If you have questions, consult the Classification Team.
- If the plant you are exhibiting has been entered in an AOS Show or brought to an AOS Center Judging on the current blooming, make sure to add on your label "Not for AOS Judging".
