## The Rhizome

### January 2017 Edition

Happy New Year!

It was great to see so many members at the party, especially the new members that we hadn't met yet. A big thank you to Nadine and Shearer for all of their hard work. The food was delicious and the company was even better.

Our new officers will be installed at the January meeting, and you will notice that we have some chairman positions open. We need a new chair to greet people at the meetings and make sure they get a ticket for wearing their nametags. We also need someone to take over as raffle chairman, which involves selling raffle tickets and conducting the drawing.

We are going to move our small library to the Garden Club, so a new librarian is needed to be in charge of that and the new "Orchids" magazines each month.

We need a program chair to plan our monthly activities. We have several members who are always willing to present programs, but this also involves finding and making arrangements for outside speakers.

The members who fill the other positions have volunteered to continue, but as always, it is nice to have a break, so if anyone would like to help in that capacity, it would be welcomed.

Please let Jodi know if you would like to take on one of these responsibilities. As usual, as with any position in PCOS, there are many members willing to help and advise if you want help.

**Party!!!**

*Many thanks to  
Nadine and Shearer  
for planning  
another great party.*

**GREAT PLACES FOR  
MEMBERS TO FIND  
INFORMATION ON  
ORCHIDS:**

1. Programs—Take notes—someday they will make sense.
2. AOS Magazine articles. “Orchids” is available at every meeting for check out.
3. Members— Ask longtime members about orchids, but realize that your yard and potting choices are key. We all use trial and error to succeed.
4. Internet sites—[www.aos.org](http://www.aos.org)—This AOS site has the answer to almost any question.
5. Rambles at members’ homes to help you identify the best way to grow your orchids.
6. Visit the PCOS website and reread some of the articles in the newsletters from the past year or two.

PCOS is an affiliate of the **American Orchid Society (AOS)**. There’s an abundance of information on the AOS website. Please visit [www.aos.org](http://www.aos.org) for articles, advice on growing orchids, and lots of free information.

Ask Betty Adamson for an application if you’re interested in joining.

For all current members, remember that your renewal notice will arrive in the Orchid Magazine prior to your month of renewal.

**ANNUAL SHOW**

Our first meeting is scheduled for Tuesday, January 3, since it's time to start the planning for our annual show.

It's our 54th show, 'A Celebration of Orchids' and since this is our only society fundraiser we strive very hard to make it successful. It also gives us a chance to let the public know what an active and successful group of members we have. The committee chairman will attend the meeting and if you would like to co-chair a committee we welcome you also. Our vendor invitations have been extended and they are once again excited about participating in our event. See you soon.
