RULES

1. The 55th annual Platinum Coast Orchid Society Show and Sale will be held on May 4-6, 2018.
Hours open to the public:
Friday, May 4th - 9 am to 5 pm
Saturday, May 5th - 9 am to 5 pm
Sunday, May 6th - 9 am to 4 pm
Location:
Kiwanis Island Park Gymnasium
951 Kiwanis Island Park Road
Merritt Island, Florida 32952
2. **Setup:**
The Kiwanis Island Facility will be open to exhibitors for set up Thursday, May 3rd 2018, 8:00 am until 8:00 pm.
3. Participation is by invitation. Any person complying with the rules of the show may exhibit. Exhibits are to conform to the Show Theme: "*Days of Wine and Orchids*"
4. Any carts used must have wide rubber wheels only.
5. Blue Painter's Tape is the only tape that may be used on the floor.
6. Table skirting and top covering for all tables will be provided by the PCOS.
7. **Classification and Registration:**
Thursday, May 3rd, 2018
Begins at 12:00 pm and closes at 6:00 pm
Visiting judges will be permitted to register plants until 8:00 am on Friday. All plants and exhibits must be in place and ready for judging by 9 am on Friday, May 4th.
8. Judging by American Orchid Society Judges will begin at 9 am on May 4th. Two members of the Platinum Coast Orchid Society will participate with the AOS Judges in the selection of the trophy for the PCOS President's award.
9. Late entries (individual plants only) will be displayed but not entered for competition.
10. Plants within an exhibit must **not** be removed from the show prior to 4:00 pm Sunday, May 6. If this rule is violated, it will invalidate any awards received. Exhibits must be removed by 6 pm on Sunday, May 6.
11. Exhibitors may make two or more entries in a class provided that each entry is a different variety or grouping of varieties. There will be no ribbon judging in commercial exhibits. However, any exhibited plant is eligible for trophy.
12. Any plant found to be classified incorrectly may be reclassified to a correct class or disqualified at the judges' discretion. It is the responsibility of the **exhibitor** to be sure his or her plant is classified properly. Carefully measure blooms where size determines class number. The Classification Committee will be available for assistance.

13. The following are rules concerning exhibitors' areas. They apply equally to amateur, society, and commercial areas unless otherwise noted. Any deviation requires prior approval. The Show Chairperson is the only one authorized to approve a deviation.
 - a. Each exhibit must conform to the specific placement as indicated by the Staging Committee. A placard will clearly show the area assigned and the direction in which the exhibit is to be faced.
 - b. At least 90% of the assigned space for exhibits must be utilized.
 - c. Placing the orchids in baskets, boxes, etc. for display is discouraged. This is viewed as a method of prefabricating your exhibit for expediency and falls short of acceptable standards.
 - d. Props such as driftwood, rocks, cork, slabs, etc. may be used in exhibits.
 - e. Use of indoor or outdoor carpet is not permitted.
 - f. The use of waterfalls or water wheels and/or lights is permitted, with prior approval of the Show Chairperson. Electricity is not available at exhibits.
14. The Classification and Registration Committee may subdivide any class along logical lines as entries are registered. Judges may further subdivide classes to give fair recognition to quality flowers in the show.
15. Judges must sign reports and/or score cards before they are turned in to the Chairperson of Registration. The Judges are requested to leave comments on all exhibits.
16. All plants and flowers in competition must be properly and prominently labeled. No tags with owner's names will be permitted. Plants improperly labeled are subject to disqualification.
17. Signs used in sales areas by commercial growers must present a reasonably neat and professional appearance.
18. The Platinum Coast Orchid Society, its Officers or Show Committee members, or the Kiwanis Island Complex will not be responsible for damage or loss of plants, flowers, or other displayed material. However, efforts will be made to provide safeguards to the best extent possible.
19. During set-up and prior to judging, no Judges will be in the exhibit area except those involved in putting in an exhibit.
20. All flowers not claimed by their exhibitors will become the property of the Platinum Coast Orchid Society and may be disposed of at its discretion.
21. No duplicate prize will be awarded.
22. Anyone wishing to call the Judges attention to a plant they would like considered for AOS judging may list the plant(s) with the Chairperson of Judges before the judging begins.

23. The Judges and Exhibitors are expected to familiarize themselves with these Rules, asking the Show Chairperson for an interpretation, if necessary. Decisions of the Show Chairperson are final.
24. Plants displayed in exhibits may be entered in individual classes but must be registered in the name of the owner (not necessarily the exhibitor).
25. Commercial Exhibitors (Class 11) are eligible for a 120 sq. foot sales area. Sales areas are reserved upon receipt of invitation acceptance form and fee. Orchids, orchids supplies, orchid gifts, and plants compatible with orchid culture, i.e. Anthuriums, Bromeliads, etc. may be sold but orchids must predominate. All plants and supplies offered for sale must have prices displayed. Sales areas must be attended during the hours the show is open for the convenience of the public and protection of the exhibitor/seller.
26. Any plants showing evidence of being diseased or having pests will not be permitted & may be removed by the Show Chairperson or Judging Chairperson. This also applies to plants for sale by commercial exhibitors.
27. The Show Chairperson and his or her committee and/or the Judging Chairperson, as appropriate, will be responsible for resolving those matters which may arise and are not already covered by any rule previously stated.

PCOS 2018 AWARDS “DAYS OF WINE AND ORCHIDS”

American Orchid Society, Incorporated, Awards:

FCC, AM, HCC, CCM, CBR, CHM, and possibly other awards, will be given to qualifying plants.
