EXHIBITION CLASSES

GROUP I. INDIVIDUAL PLANTS IN BLOOM (NOTE RULES)

CATTLEYA ALLIANCE

1. **Cattleya Species (including Guarianthe) or Natural hybrid: 5" AND LARGER NATURAL SPREAD**
2. **Cattleya Species (including Guarianthe) or Natural hybrid: LESS THAN 5" NATURAL SPREAD**
3. **Miniature Cattleya Species or hybrids (including Guarianthe) of Classes 2 & 16 -27. (Plant measuring less than 6"high, excluding inflorescence.) MUST BE MATURE PLANTS. This is a DOUBLE ENTRY CLASS.**

Cattleya (including Guarianthe) or Allied Hybrid (C, Rlc, Bc, Blc, Cty,Epc, Gcy, Lc, Rlc, Myc, Rth, etc.):

5" AND LARGER NATURAL SPREAD

4. White
5. White with colored lip
6. Yellow, Orange
7. Green
8. Pastel (Pink, Lavender)
9. Red, Reddish-purple
10. Purple, Dark Lavender
11. Blue, (Coerulea)
12. Art Shades (Bronze, etc.)
13. Splash Petals
14. Spotted
15. Other colors

Cattleya (including Guarianthe) or Allied Hybrid (C, Bc, Blc, Cty, Epc, Gcy, Lc, Rlc, Myc, Rth, etc.)

LESS THAN 5" NATURAL SPREAD

16. White
17. White with colored lip
18. Yellow, Orange
19. Green
20. Pastel (Pink, Lavender)
21. Red, Reddish-purple
22. Purple, Dark Lavender
23. Blue (Coerulea)
24. Art Shades (Bronze, etc.)
25. Splash Petal
26. Spotted
27. Other colors

OTHER CATTLEYA Alliance (not including Cattleya or Guarianthe):

28. **Brassavola**, species and hybrids using terete-leaved Brassavola
29. **Rhyncholaelia** species and hybrids
30. **Broughtonia** species and hybrids
31. **Encyclia** species and hybrids
32. **Prosthecea** species and hybrids
33. **Epidendrum** species and hybrids
34. **Laelia** species and hybrids
35. **Myrmecophila** species and hybrids,
36. **Other species and their hybrids, not otherwise covered in previous classes**
(Caularthron (Diacrium) ,Leptotes, Hexisea, Cattleyopsis, etc.)
37. Cattleya Alliance SEEDLING BLOOMING FOR FIRST TIME (Classes 1-31)
MUST BE ENTERED, (May include Cattleya or Guarianthe)

DENDROBIUM

Phalaenopsis type: full-round shape (bigibbum, affine, phalaenopsis, etc.)

Species:

38. White
39. Pink
40. Other Colors

Hybrids, Predominant color:

41. White
42. Dark Purple/Red
43. Striped
44. Pastel
45. Blue
46. Two-Toned / Splashed
47. Other colors

Antelope type: antelope type (antennatum, gouldii, canaliculatum, stratiotes, discolor, etc.):

48. Species
49. Hybrids

Intermediate type: (cross between full round and Antelope type)

Hybrids, Predominant color:

50. White
51. Dark Purple/Red
52. Striped
53. Pastel
54. Blue
55. Two-Toned / Splashed
56. Other colors

DENDROBIUM continued:

- Nobile type:** (nobile, loddigesii, anosmum, aphyllum, parishii, etc.)
- 57. Species
- 58. Hybrids

- Callista Section:** (aggregatum, chrysotoxum, amabile, densiflorum, farmeri, etc.)
- 59. Species
- 60. Hybrids

- Formosae Section:** (formosum, sanderae, dearei, schuetzei, etc.)
- 61. Species
- 62. Hybrids

- Latouria Section:** (spectabile, atroviolaceum, convolutum, etc.)
- 63. Species
- 64. Hybrids (Latouria x Latouria)
- 65. Intersectional Hybrids between Latouria and any other dendrobium section

- 66. **Other Dendrobiums forms not covered elsewhere:**

ONCIDIUM ALLIANCE

- 67. **Species and Hybrids** with flowers **larger than 1 inch** natural spread
- 68. **Species and Hybrids** with flowers **smaller than or equal to 1 inch** natural spread
- 69. **Psychopsis** (butterfly type) species and hybrids: (papilio, kramerianum, Kalihi, etc.)
- 70. **Mule-ear type:** species and hybrids, (luridum, carthagenense, etc.)
- 71. **Terete type:** species and hybrids (jonesianum, etc.)
- 72. **Tolumnia (equitant leaf type)** species and hybrids

- 73. **Miltonia** species and hybrids
- 74. **Brassia** species and hybrids
- 75. **Other Oncidium Alliance** species and hybrids (Aspasia, Comparettia, Rodriguezia, Trichopilia, Cochlioda, Rhychostele etc.)
- 76. Any oncidium hybrid of classes 67 through 75 not covered in above classes.

PHALAEOPSIS ALLIANCE (Excluding Paraphalaenopsis)

Phalaenopsis Species:

- 78. White (amabilis, aphrodite, etc)
- 79. Pink (schillerana, sanderana, stuartiana etc.)
- 80. Other (leuddemanniana, equestris, amboinensis, violacea, etc

Phalaenopsis Hybrids, 2 ½ " AND LARGER NATURAL SPREAD:

- 81. White
- 82. White with contrasting colored lip
- 83. Pink ,Pastel
- 84. Purple, Red
- 85. Cream, Yellow, Green
- 86. Spotted and/or barred
- 87. Striped
- 88. Splashed
- 89. Harlequin
- 90. Other colors

Phalaenopsis Hybrids, LESS THAN 2 ½ " NATURAL SPREAD:

- 91. White
 - 92. White with contrasting colored lip
 - 93. Pink, Pastel
 - 94. Purple, Red
 - 95. Cream, Yellow, Green
 - 96. Spotted and/or barred
 - 97. Striped
 - 98. Splashed
 - 99. Harlequin
 - 100. Other colors
101. **Phalaenopsis intergeneric hybrids (Phal. x V. etc.)**
102. **Phalaenopsis SEEDLINGS BLOOMING FOR FIRST TIME**, Duel entry, Classes 78-101 must be entered)

VANDA ALLIANCE

- 103. **Papilionanthe (terete leaved)** species and hybrids, (teres, hookeriana, etc.)
- 104. **Strap-leaf** species (tricolor, luzonica, tessellata, etc.)
- 105. Vanda species with flowers less than 2 inches (falcata, ampullaceum, miniata, curvifolium, etc.)
- 106. Any other Vanda Alliance species not covered above
- 107. **Semi-terete** hybrids: (Nellie Morley, Josephine van Brero, etc.)

VANDA ALLIANCE continued:

Vanda: Strap-Leaf hybrids with flower 3” or less, predominant color:

- 108. White, Green
- 109. Yellow
- 110. Orange
- 111. Brown, Tan
- 112. Pink, Red, Lavender
- 113. Blue, Purple
- 114. Spotted
- 115. Other colors

Vanda: Strap-Leaf hybrid with flowers larger than 3”, predominant color:

- 116. White, Green
- 117. Yellow
- 118. Orange
- 119. Brown, Tan
- 120. Pink, Red, Lavender
- 121. Blue, Purple
- 122. Spotted
- 123. Other colors

Other Vanda Alliance Genera:

- 124. **Angraecoid**, species and hybrids,
- 125. **Vandopsis**, species and hybrids, (**not covered above**)
- 126. **Renanthera**, species and hybrids, (**not covered above**)
- 127. **Rhynchostylis** species and hybrids, (**not covered above**)
- 128. **Other Vandaceous** species and hybrids, (Aerides, Arachnis, Paraphalaenopsis, etc)
- 129. Any Vanda Alliance, species and hybrids, other than those covered above

PAPHIOPEDILUM ALLIANCE

- 130. **Paphiopedilum species**, Round form: (bellatulum, concolor, armeniacum, delenatii, micranthum, etc.)
- 131. **Paphiopedilum species**, Multifloral flowered inflorescences: (philippinense, rothschildianum, sanderianum, etc.)
- 132. **Paphiopedilum species**, sequentially flowered inflorescences: (chamberlainianum, glaucophyllum, primulinum, etc.)
- 133. **Paphiopedilum species**, Single flowered inflorescences, Maudiae type: (callosum, lawrenceanum, curtisii, etc.)
- 134. **Paphiopedilum species**, Single flowered, other than Maudiae type: (insigne, spicerianum, fairieanum, hirsutissimum, etc.)
- 135. **Paphiopedilum species** not covered elsewhere.
- 136. **Paphiopedilum hybrids**: Round form predominating.
- 137. **Paphiopedilum hybrids**: Multifloral types predominating.
- 138. **Paphiopedilum hybrids**: Sequentially flowered types predominating.
- 139. **Paphiopedilum hybrids**: Maudiae types predominating.
- 140. **Paphiopedilum hybrids**: Other single flowered or polyfloral types.
- 141. **Paphiopedilum hybrids**: Standard Complex types predominating.
- 142. **Paphiopedilum Intersectional hybrids** of Intermediate Form

143. **Paphiopedilum hybrids** not covered above.
PAPHIOPEDILUM ALLIANCE continued:

Phragmipedium, Cypripedium, Selenipedium

144. Phragmipedium species and hybrids, Round Form
145. Phragmipedium species and hybrids, Long petaled form
146. Cypripedium species and hybrids
147. Any Other Phragmipedium, Cypripedium, or Selenipedium Allied Genera not covered above.

CYMBIDIUM ALLIANCE

148. **Species**
149. Hybrids

150. **Allied Cymbidium** genera species and hybrids other than above (Ansellia, Grammatophyllum, etc.)

MISCELLANEOUS

151. **Bulbophyllum** species and hybrids
152. **Catasetum, Cycnoches, Mormodes and allied genera** species and hybrids
153. **Chysis** species and hybrids
154. **Lycaste, Anguloa and allied genera** species and hybrids
155. **Maxillaria and allied genera** species and hybrids
156. **Notylia** species and hybrids
157. **Phaius, Calanthe, Spathoglottis and allied genera** species and hybrids
158. **Pleurothallis and allied genera** species and hybrids, (Dracula and Masdevallia, etc.)
159. **Zygopetalum, Huntleya** and allied genera species and hybrids
160. **Cyrtopodium, Eulophia** and allied genera species and hybrids
161. **Jewel Orchids** - orchids grown primarily for foliage
163. **Native Florida orchid species**
164. **Other orchid species**, not included above
165. **Miniature orchids:** (excluding Cattleya classes 1-27 and Tolumnia class 72)
Any species or hybrid measuring 3" high or less, not including inflorescence.
ORCHID MUST BE MATURE PLANTS, not immature forms of larger plants.

GROUP II. EXHIBITS FOR EXHIBITS

- | | |
|-----------|----------------------------------|
| Class 300 | Tabletop: Niche |
| Class 400 | Tabletop: Commercial Exhibit |
| Class 500 | Tabletop: Orchid Society Exhibit |
| Class 600 | Educational Exhibit |
