GREAT PLACES FOR MEMBERS TO FIND INFORMATION ON ORCHIDS:

1. Programs—Take notes—someday they will make sense
2. AOS Magazine articles. “Orchids” is available at every meeting.
3. Members— Ask longtime members about orchids, but realize that your yard and potting choices are key. We all use trial and error to succeed.
4. Internet sites—www.aos.org—This AOS site has the answer to almost any question.
5. Rambles at members’ homes to help you identify the best way to grow your orchids.

PCOS is an affiliate of the **American Orchid Society (AOS)**. There’s an abundance of information on the AOS website. Please visit www.aos.org for articles, advice on growing orchids, and lots of free information.

Ask Betty Adamson for an application if you’re interested in joining.

For all current members, remember that your renewal notice will arrive in the Orchid Magazine prior to your month of renewal.

EXHIBIT FOR VOLUSIA SHOW:

SUNSHINE
