## May 2013 Edition

Tolumnia Genting Orange  
Grower: Dennis Gollehon

### President's Message:

There's never a dull moment around the PCOS. Even before we've set up for the show there are plans forming for the annual family picnic in Cocoa Beach on September 29th. We need a chairperson to lead the group of volunteers that put it together. Please contact me or Joyce to step up early to chair or be on the committee. Our next meeting's program will be a wrap up of the show and an AOS program. By the time this edition is published we will have begun the final week of preparation for the show. If you haven't figured out how you are participating in the success of the show call me at 427-6959 or Cathy at 536-2095 to be added to one of the teams. We need lots of help in all areas such as set up on Wednesday and Thursday, clerking for the judges Friday morning and as greeters and raffle table attendants all three days. For the first time we are having non-orchid vendors (artists and landscape items) and food service outside under the oak trees. There is a link to a printable discount coupon and flyer on the Show page of the website to share ([http://www.platinumcoastorchidsociety.org/PDFs/show\\_flyer\\_2013.pdf](http://www.platinumcoastorchidsociety.org/PDFs/show_flyer_2013.pdf)). Tell everyone you know so we can make this 50th Anniversary show a tremendous success. Wear your name badge to the show so the public can recognize you as an Ambassador of PCOS. As always, those members who work the show or are Ambassadors will have free admission.

Dennis

## AOS CORNER

Welcome to the newly elected members of the Board of Trustees of AOS. At the Members' meeting held in March in San Diego, California, Fred Clarke was re-elected to the Board of Trustees for a three year period and Harry Gallis, David Toyoshima and Carol Zoltowski were newly elected for the same three year period. For more information on these new Trustees' background information may be found on the AOS website. In addition, Alan Koch, Tom Etheridge and Linda Wilhelm are the outgoing Trustees.

In addition at the Trustees and Members meeting, Frank and Taylor Slaughter of Philadelphia, Pennsylvania, each received separate AOS Silver Medals for their dedicated service to the AOS. Taylor for her service to the AOS judging system, as the first chair of the Governance Committee and service as a member of the Board of Trustees in various capacities for a number of years. Frank received his award for his service to the technology needs of the AOS.

Direct-mail marketing assistance for AOS Affiliated Societies' Shows is available the purpose of promoting the shows, seminars and special society events via direct mail from the AOS's Membership Services Department. Please contact AOS well in advance of your anticipated mailing with the states, countries or zip or postal code ranges you are interested in obtaining. While this service is free of charge to affiliated societies, AOS would appreciate a donation to help defray costs associated with producing and mailing these lists (if print copies are requested). Contact the Society's Membership Services Department at 305-740-2010.

Interesting Orchid Hybrid Trivia from AOS Website

The total number of grex names in the register is currently 154,660 (as of now). This figure increases daily. Each year The International Orchid Register adds between 3000-4000 new hybrids.

The most popular genera for hybrids are:

Phalaenopsis — 31,382

Paphiopedilum — 23,871

Cymbidium — 14,688

Dendrobium — 11,910

So far there are about 2349 hybrid generic names, but not all of these are in use.

There are about 5,600 species involved in hybridization.
