Bc. Beautiful Morning 'Patti' was awarded the AOS certificate for cultural merit. Grower, Charlie Scholes, finally allowed a plant to get big .

## The Rhyzome

Hi everyone, Our May Show was a big success. The venue was beautiful, thanks to our many committee chairs and the countless hours of volunteer time. I know you are anxious for the numbers and reviews. I will send out a report and proper thank you and recognition before the next meeting. Please make time to join us at the June 10th Ramble as seen on the calendar . These individuals are so kind to invite us to their homes. A special invitation with addresses will be sent with the show report. My best, Cathy

### SUNSHINE

Members Shearer Kennedy, Nadine Kern, and Marsha Lovas were ill but all are rapidly recovering. Best wishes to Elaine Chambers, we missed her at the show, and hope she is back with us soon.

Don Prince continues with his rehabilitation at an Orlando center. This is due to a head injury after falling from a ladder. He has had some improvement but requires constant supervision and attention. Joy is staying with him as he recovers. Betty

Please visit [www.aos.org](http://www.aos.org) for articles, advice on growing orchids, and lots of free information.

Check out the Orchid magazine at our meetings, so you can see the benefits of being an American Orchid Society member.

Ask Betty Adamson for an application if you’re interested in joining.

For all current members, remember that your renewal notice will arrive in the Orchid Magazine prior to your month of renewal.

## Orchids of Africa, part 1—Zimbabwe

As the mighty Zambezi plunges into the gorge at Victoria Falls, it sends up a continuous mist, which then falls as rain on the Cliffsides in Zimbabwe. The tropical rainforest created is home to the ground orchid, *Calanthe Corymbosa*. The Zimbabwe side offers a great view of the falls, even when the water is high and the mist is thick. With the upcoming orchid conference in South Africa, many AOS members will be taking a side trip to Victoria Falls and Botswana.

Below: Victoria Falls. The top side is Zambia; the bottom left side is Zimbabwe. The Victoria Falls bridge, shown in the bottom two photos connects the two countries.
