The Rhizome

February 2010

Dear Members,

The February general meeting will be held on February 10th, at 7 pm, at the Cocoa Expo in the Clubhouse or the room behind the cafeteria, where we have met many times previously.

My contact at Expo has informed me that there is a slim possibility that some visiting representatives may be holding meetings in the clubhouse which will preclude our going there. In any event, when you show up for the meeting, please bear with us, and you will find us in one of the two places!

Events have set us back a great deal, but with your help, we will get through this and get back to a smooth running organization that we can be proud of and enjoy.

We have much unfinished business to deal with, as well as catch up on things that have gotten delayed by events, such as deciding on a show and whether it will be AOS or not.

We are fortunate enough to have a slate of officers who I assure you are ready and eager to help us get back on track. I believe you will be impressed with the people who have agreed to go forward with an attitude that will get PCOS in the right direction and back to where it once was.

The Back to Basics meeting will be held at the Cocoa Beach Library on the 4th Wednesday, which is Jan. 27th, at 6:30. I urge all of the people who have agreed to serve be at the meeting. Those of you who really want to know what is going on are encouraged to be there, as well.

For your information, Patti Scholes has graciously volunteered to be the editor of the newsletter. She will be sending this information to you by e-mail, and by post for those of you who do not have e-mail.

Folks, it has been a rough ride but I promise you better days are ahead. Please stay with us, help us rebuild, and return the club to the friendly, productive and proud organization that we used to be.
