

PCOS 2026 Show – “Wild About Orchids”
EXHIBITION CLASSES

GROUP I. INDIVIDUAL PLANTS IN BLOOM (NOTE RULES)

CATTLEYA ALLIANCE

1. **Cattleya Species (including Guarianthe) or Natural hybrid: 5" AND LARGER NATURAL SPREAD**
2. **Cattleya Species (including Guarianthe) or Natural hybrid: LESS THAN 5" NATURAL SPREAD**
3. **Miniature Cattleya Species or hybrids (including Guarianthe) of Classes 2 & 17 -29. (Plant measuring less than 6"high, excluding inflorescence.) MUST BE MATURE PLANTS. This is a DOUBLE ENTRY CLASS.**

LESS

Cattleya Hybrids (including Guarianthe) or Allied Hybrid (C, Rlc, Bc, Blc, Cty ,Lc, Rlc, Rth, etc.): Not including Encyclia (E) or Myrmecophila (Myr.)

5" AND LARGER NATURAL SPREAD

4. White
5. White with colored lip
6. Yellow
7. Orange
8. Green
9. Pastel (Pink, Lavender)
10. Red, Reddish-purple
11. Purple, Dark Lavender
12. Blue, (Coerulea)
13. Art Shades (Bronze, etc.)
14. Splash Petals
15. Spotted
16. Other colors

Cattleya Hybrids (including Guarianthe) or Allied Hybrid (C, Rlc, Bc, Blc, Cty ,Lc, Rlc, Rth, etc.): Not including Encyclia (E.) or Myrmecophila (Myr.)

LESS THAN 5" NATURAL SPREAD

17. White
18. White with colored lip
19. Yellow
20. Orange
21. Green
22. Pastel (Pink, Lavender)
23. Red, Reddish-purple
24. Purple, Dark Lavender
25. Blue (Coerulea)
26. Art Shades (Bronze, etc.)

CATTLEYA CONTINUED

- 27. Splash Petal
- 28. Spotted
- 29. Other colors

OTHER CATTLEYA Alliance (not including Cattleya or Guarianthe):

- 30. **Brassavola**, species and hybrids using terete-leaved Brassavola
- 31. **Rhyncholaelia** species and hybrids
- 32. **Broughtonia** species and hybrids
- 33. **Encyclia** species
- 34. **Encyclia** hybrids (E. X E.)
- 35. **Encyclia** hybrids (E. x C. , Gur., or other Cattleya alliance)
- 36. **Prosthecea** species and hybrids
- 37. **Epidendrum** species and hybrids
- 38. **Laelia** species and hybrids
- 39. **Myrmecophila** species
- 40. **Myrmecophila** hybrids (Myr. X Myr.)
- 41. **Myrmecophila** hybrids (Myr. X with any other Cattleya Alliance)
- 42. **Other species and their hybrids, not otherwise covered in previous classes** (Caularthron (Diacrium) ,Leptotes, Hexisea, Cattleyopsis, etc.)
- 43. Cattleya Alliance SEEDLING BLOOMING FOR FIRST TIME (Classes 1-42 MUST BE ENTERED)

DENDROBIUM

Phalaenopsis type: full-round shape (bigibbum, affine, phalaenopsis, etc.)

- 44. **Species:**
- 45. **Hybrids**

Antelope type: antelope type (antennatum, gouldii, canaliculatum, stratiotes, discolor, etc.):

- 46. Species
- 47. Hybrids
- 48. **Intermediate type Hybrids (cross between full round and Antelope type Hybrids)**

Nobile type: (nobile, loddigesii, anosmum, aphyllum, parishii, etc.)

- 49. Species
- 50. Hybrids

Callista Section: (aggregatum, chrysotoxum, amabile, densiflorum, farmeri, etc.)

- 51. Species
- 52. Hybrids

Formosae Section: (formosum, sanderae, dearei, schuetzei, etc.)

- 53. Species
- 54. Hybrids

DENDROBIUMS CONTINUED

Latouria Section: (spectabile, atroviolaceum, convolutum, etc.)

55. Species
56. Hybrids (Latouria x Latouria)
57. Intersectional Hybrids between Latouria and any other dendrobium section

58. **Other Dendrobium forms not covered elsewhere:**

ONCIDIUM ALLIANCE

59. **Species and Hybrids** with flowers **larger than 1 inch** natural spread
60. **Species and Hybrids** with flowers **smaller than or equal to 1 inch** natural spread
61. **Psychopsis** (butterfly type) species and hybrids: (papilio, kramerianum, Kalihi, etc.)
62. **Mule-ear type:** species and hybrids, (luridum, carthagenense, etc.)
63. **Terete type:** species and hybrids (jonesianum, etc.)
64. **Tolumnia (equitant leaf type) :** Species
65. **Tolumnia (equitant leaf type):** Hybrids
66. **Miltonia** species and hybrids
67. **Brassia** species and hybrids
68. **Other Oncidium Alliance** species and hybrids (Aspasia, Comparetia, Rodriguezia, Trichopilia, Cochlioda, Rhychostele etc.)
69. Any oncidium hybrid of classes 60 through 69 not covered in above classes.

PHALAENOPSIS ALLIANCE (Excluding Paraphalaenopsis)

Phalaenopsis Species:

70. White (amabilis, aphrodite, etc)
71. Pink (schillerana, sanderana, stuartiana etc.)
72. Other (leuddemanniana, equestris, amboinensis, violacea, etc

Phalaenopsis Hybrids, 2 1/2" AND LARGER NATURAL SPREAD:

73. White
74. White with contrasting colored lip
75. Pink, Pastel
76. Purple
77. Red
78. Cream, Yellow, Green
79. Spotted and/or barred
80. Striped
81. Splashed
82. Harlequin
83. Other colors

PHALAENOPSIS CONTINUED

Phalaenopsis Hybrids, LESS THAN 2 1/2" NATURAL SPREAD:

84. White
 85. White with contrasting colored lip
 86. Pink, Pastel
 87. Purple
 88. Red
 89. Cream, Yellow, Green
 90. Spotted and/or barred
 91. Striped
 92. Splashed
 93. Harlequin
 94. Other colors
95. **Phalaenopsis intergeneric hybrids (Phal. x V. etc.)**
96. **Phalaenopsis SEEDLINGS BLOOMING FOR FIRST TIME, Duel entry, Classes 71-96 must be entered)**

VANDA ALLIANCE

97. **Papilionanthe (terete leaved)** species and hybrids, (teres, hookeriana, etc.)
98. **Strap-leaf** species (tricolor, luzonica, tessellata, etc.)
99. Vanda species with flowers less than 2 inches (falcata, ampullaceum, miniata, curvifolium, etc.)
100. Any other Vanda Alliance species not covered above

Vanda: hybrids with flower 3" or less, predominant color:

101. White, Green
102. Yellow
103. Orange
104. Brown, Tan
105. Pink, Red, Lavender
106. Blue, Purple
107. Spotted
108. Other colors

Vanda: hybrid with flowers larger than 3", predominant color:

109. White, Green
110. Yellow
111. Orange
112. Brown, Tan
113. Pink, Red, Lavender
114. Blue, Purple
115. Spotted
116. Other colors

VANDA CONTINUED

Other Vanda Alliance Genera:

- 117. **Angraecoid**, species and hybrids,
- 118. **Vandopsis**, species and hybrids, (**not covered above**)
- 119. **Renanthera**, species and hybrids, (**not covered above**)
- 120. **Rhynchostylis** species and hybrids, (**not covered above**)
- 121. **Other Vandaceous** species and hybrids, (Aerides, Arachnis, Paraphalaenopsis, etc)
- 122. Any **Vanda Alliance**, species and hybrids, other than those covered above

PAPHIOPEDILUM ALLIANCE

Paphiopedilum: Single flowered inflorescences,

123. **Species**

124. **Hybrids**

Paphiopedilum: Multifloral or Sequentially flowered inflorescences

125. **Species**

126. **Hybrids**

127. **Paphiopedilum hybrids** not covered above.

Phragmipedium, Cypripedium, Selenipedium

128. Phragmipedium species and hybrids, Round Form

129. Phragmipedium species and hybrids, Long petaled form

130. Cypripedium species and hybrids

131. Any Other Phragmipedium, Cypripedium, or Selenipedium Allied Genera not covered above.

CYMBIDIUM ALLIANCE

132. **Species**

133. **Hybrids**

134. **Allied Cymbidium** genera species and hybrids other than above (Ansellia, Grammatophyllum, etc.)

MISCELLANEOUS

135. **Bulbophyllum** species and hybrids

136. **Catasetum, Cycnoches, Mormodes and allied genera** species and hybrids

137. **Chysis** species and hybrids

138. **Lycaste, Anguloa and allied genera** species and hybrids

139. **Maxillaria and allied genera** species and hybrids

140. **Notylia** species and hybrids

141. **Phaius, Calanthe, Spathoglottis and allied genera** species and hybrids

142. **Pleurothallis and allied genera** species and hybrids (Dracula, Masdevallia, etc.)

143. **Zygopetalum, Huntleya** and allied genera species and hybrids

144. **Cyrtopodium, Eulophia** and allied genera species and hybrids

145. **Jewel Orchids** - orchids grown primarily for foliage

146. **Other Orchid Hybrids**, interspecific and intergeneric not listed above

147. **Native Florida orchid species**

MISCELLANEOUS CONTINUED

- 148. **Other orchid species**, not included above
- 149. **Miniature orchids:** (excluding Tolumnia classes 65-66) Any species or hybrid measuring 3"high or less, not including inflorescence. **ORCHID MUST BE MATURE PLANTS**, not immature forms of larger plants.

GROUP II. EXHIBITS

- . Class 200 **Orchid House Orphans**
No name/ No ID/ No tag/No problem
For the orchid hobbyist .Any Orchid plant can be entered. Judged by PCOS member panel. Ribbons awarded
- Class 300 Tabletop: Niche
- Class 400 Tabletop: Commercial Exhibit
- Class 500 Tabletop: Orchid Society Exhibit
- Class 600 Educational Exhibit
