#### **President's Message**

Well, 2025 has come and gone in a flash. Is it my imagination or is time passing faster now than when I was younger? The months seem to have a beginning and end but the middle has disappeared altogether. I know the days are shorter (especially since we changed back from daylight savings time) because it gets dark by 5 pm and looks like midnight by six o'clock. Oh well (*sigh*).

It looked like everyone had a good time at the Holiday Party. Maybe we all ate too much and were happy and content. If you missed the gathering then you missed a good one. I want to especially thank Tammy Cheng for her extraordinary talent in putting the event together. Special appreciation goes to Sally and Peter Pancoast for donating the bulk of the orchids given out to all the members. Margaret Croucher and Clive Gay also donated plants to the cause. Volunteers that made the party such a hit are mentioned with the party pictures located in this newsletter. And we can't forget all those who brought food to the event. What a feast! Thank you everyone.

And, so we begin a new year. If you were born in the middle of the last century then you probably never thought about welcoming in 2026. Well, it's here and so too we have a new year beginning for PCOS.

As you know, February through April we'll be preparing for The Show in May. We have a really good theme, "Wild About Orchids", and some interesting decorating planned for the event. If you've never done a niche, think about volunteering to do one this year. It's a great way to learn about how to 'show' orchids and a fun experience with ribbons for prizes. This year I hope everyone can get at least one sponsor for the show. The gift cards, certificates and money they donate is used to pay for door prizes, raffle baskets and award money for best of show orchids. If you can't get a sponsor, think about donating \$25 and be identified as an award sponsor.

Volunteering to work the show is always important. Even if you can only work one time slot, it gives others a break from working all day. This event is the only fundraiser we have and with costs continuing to rise, raising money to support our Society is crucial. Besides, it's the best activity you can be involved in to meet fellow members and learn about growing orchids. It's a lot of work, but in the end, we always have a great time.

So, welcome 2026 as the new year with lots of promise. I hope you had a good holiday season and I'll see you January 14<sup>th</sup>.

## A great time at the Holiday Party!

Laura Blackmon

Thanks to all the following:

- ♦ Bill and Margaret Croucher, Charis Gaines, Karen and Cleve Chandler, Danette Storm, Charlie Scholes, James Rice, Joy Dykes, Wanda Morales, Tom Dixon, Carolyn Anderson, Erin Boden, Phyllis Gautreaux, Tammy, Cooper, and Richard Cheng for helping with set-up and clean-up.
- ♦ Ed Kidder made the punch, which we understand was potent.
- ♦ Joann Amos gave out raffle tickets for the food and toy drive participants.
- ♦ Charis Gaines helped with the ornament exchange.
- ♦ Carolyn Anderson helped facilitate the ugly sweater contest.
- ♦ Sally and Peter Pancoast plus Margaret Croucher and Clive Gay provided the gift orchids for everyone.
- ♦ And Claria, who stopped by the Garden Club and helped set-up for an hour before anyone realized she wasn't supposed to be there.
- ♦ Congratulations to Karen Chandler and Scott Anderson for winning the ugly sweater contest.
- ♦ And THANKS to all who attended and enjoyed themselves. We had more food than we could have ever eaten in one sitting.

Happy New Year everyone!

## UPCOMING MEETINGS

Everyone is busy with the holidays and January is fast approaching. The January meeting doesn't have a guest speaker as **2026 officers** will be installed. As part of our tradition, a celebratory cake will be served.

Laura Blackmon, President  
Tom Dixon, Vice President  
Tammy Cheng, Secretary  
Charis Gaines, Treasurer  
Margaret Croucher, Past President  
Lois Fletcher, Director 2026  
Ann Wade, Director 2026  
Karen Chandler, Director 2026-2027  
Bruce Tatje, Director 2026-2027

The first of our show meetings will have taken place, so there will be a show update, as well as other pertinent information to get the new year rolling. We will have plenty of time for the Plant Forum so bring your blooming plants to show us all.

Next comes February and back by popular demand, Keith and Dina Emig will be giving a lecture on "Paphiopedilum Culture and Maintenance". They will be supplying our club raffle plants and also bringing plants for sale to our club members. I'm not sure if they plan on doing it again but at their last visit they even conducted their own plant raffle during the lecture. They were very entertaining and knowledgeable and all members had a terrific time.

To all members have a safe and happy holiday season. Season's Greetings and Happy New Year.

See you in 2026  
Tom Dixon PCOS
