

Platinum Coast Orchid Society The Rhyzome

December 2012 Edition

President's Message:

Thanks to Jim for a great selection at the plant sale. He had quite a few left over so give him a call if you would like a second chance. We now have our theme for the show. "Platinum Gold" is very appropriate for our 50th anniversary. Thanks to junior member, Justan James, for submitting the winner. Preliminary planning for the show is already underway and we will start organizing meetings after the holidays. Give me or Cathy Virata a call or email to let us know how you would like to help. The committee is putting together an evening of fun food and fellowship for our holiday party. Hope to see you there. Happy Holidays!

Gordon W. Dillon - Richard C. Peterson Memorial Essay Contest. The deadline for submissions to his annual contest is November 30, 2012. The theme for the 2012 essay is: **The Orchids I Want But Can't Really Find (Real or Imagined)**. More information on essay submissions and rules may be found on the AOS website. A bit of history on the award (from the AOS website): The contest was established in 1985 by the AOS Northeast Judging Center to honor the memory of two former editors of the AOS Bulletin (now *Orchids*). Gordon Dillon served as editor from 1943 through 1968 and again from 1970 through 1973. Richard Peterson's name first appeared on the masthead of the AOS Bulletin in April 1971 as associate editor. In 1973, he was named editor and, upon Dillon's retirement in 1977, he became the executive director, retaining his position of editor through 1984.

The Chair of the Publications Committee recently updated the society newsletter resources page on the AOS website. Included in this resource are ideas for society newsletter contents as well as a template for creating a newsletter, professional photographs to use and clip art. Newsletters are a great way to keep the lines of communication open among your society members. If your society doesn't have one yet, check out the page under the Affiliated Societies tab for this resource. Most societies post their newsletters on their website and they are available to read by anyone from their website.

Next month I will give a report of the Members Meeting this month in Portland, Oregon.

Lynn Fuller, Chair

AOS Affiliated Societies Committee

Golden Anniversary Show

Betty Adamson will be the chairman for a special Society table for the May PCOS Show and is already starting to work on making it special! She is requesting 'golden anniversary' collectibles from members both for the table and for general decorating. Watch for appropriate items at garage sales, thrift shops, etc. She is also collecting Society memorabilia that any members may have. Be sure you have your name on those items to be returned.
