### PRESIDENT'S MESSAGE:

Well, we are now deep into the summer. I don't know about you, but I'm not feeling much like outside work. I'm not sure how they do it, our hosts for the June Ramble out did themselves. We had such a great turnout despite the rain. The gardens were unbelievably beautiful. I want to thank Janice, Sarah and Joyce for their wonderful hospitality. Sharing plants, great food and fellowship, what could be better. I hope you are excited and will join us at Holly's home for our July ramble. I'm sure it will be equally amazing. Also, a note, we are well on the way for planning next year's show. I again can't thank you enough for all your help this year. As always, we can't do it without you. My best, Cathy

## CALENDAR

WEDNESDAY, JULY 9TH—There will be no meeting this month, but please join us for a ramble at 6:30 at Holly Pardi's home at 1102 Fairlawn Drive, Rockledge (631-7417/604-9954)

Directions from SR520: turn south on Fiske Blvd. Drive pass the garden club & golf club; at Barton Blvd turn west (right) go the length of the divided medium; at the stop sign take another right (that's Fairlawn Dr). I live about 2/3's of the way down a long block (that runs along the south side of the Rockledge Golf Course). The house is the 2nd two-story Tudor style house on the right.

Directions from the Interstate: take the Fiske/Stadium (SR519) head north. You will pass Lowes, then 2 schools, Leavitt Park and Eyster Blvd. The next light is at Barton. Take a left and go the length of the divided medium. At the first stop sign take a right onto Fairlawn Dr. I live about 2/3's of the way down a long block (that runs along the south side of the Rockledge Golf Course). The house is the 2nd two-story Tudor style house on the right.

Call if you get lost. Parking on the street is available.

We had a crowd in June and they weren't disappointed with the three beautiful yards showing different ways to incorporate your orchids into your landscape. Check out page 5 to see a tid-bit of what the members who attended had a chance to experience.

## Orchids of Africa, part 2—Botswana

As the rainfall from Angola moves south, some contributes to the Chobe River which travels through Chobe National Park and some flows south to form the serene Okavango Delta. Chobe Game Lodge nestles along the bank of the Chobe River, and it is there, that we spot our first orchid in Botswana. As hippos battle and elephants roll in mud pits a few yards offshore, Charlie Scholes checks out the *Cyrtorchis Arcuata*, growing on a tree next to the pool.

# Summer Rambles

PCOS isn't afraid of the rain, as was evident by the crowd who attended the June ramble. Thank you to Jan, Sarah, and Joyce for sharing your yards and your plants with members who were interested. See you at July's ramble.
